ONE FIGHT

The *One Team-One Fight* organization, a 501 (c) (3) not-for-profit corporation, is planning our tenth annual First Responders Crawfish Cook-Off Fundraiser on April 11, 2026. We seek support from our valued friends and family in the business community!

Our first responders have consistently risen to the occasion, navigating various challenges – from pandemics and natural disasters to the recent tragedies impacting law enforcement officers, firefighters, and EMS personnel. It has become even more critical for all emergency service workers to come together in a spirit of unity and support for one another.

One Team-One Fight is an organization dedicated to assisting the First Responders of our parish by giving back to those who give so much of themselves to us every day!

In this regard, we seek generous donations for prizes, trophies, and other event-related needs. We deeply appreciate any contribution, whether from you personally or your business. In recognition of your support, you will be proudly acknowledged as a Sponsor of this incredible event.
